

FIG. 1

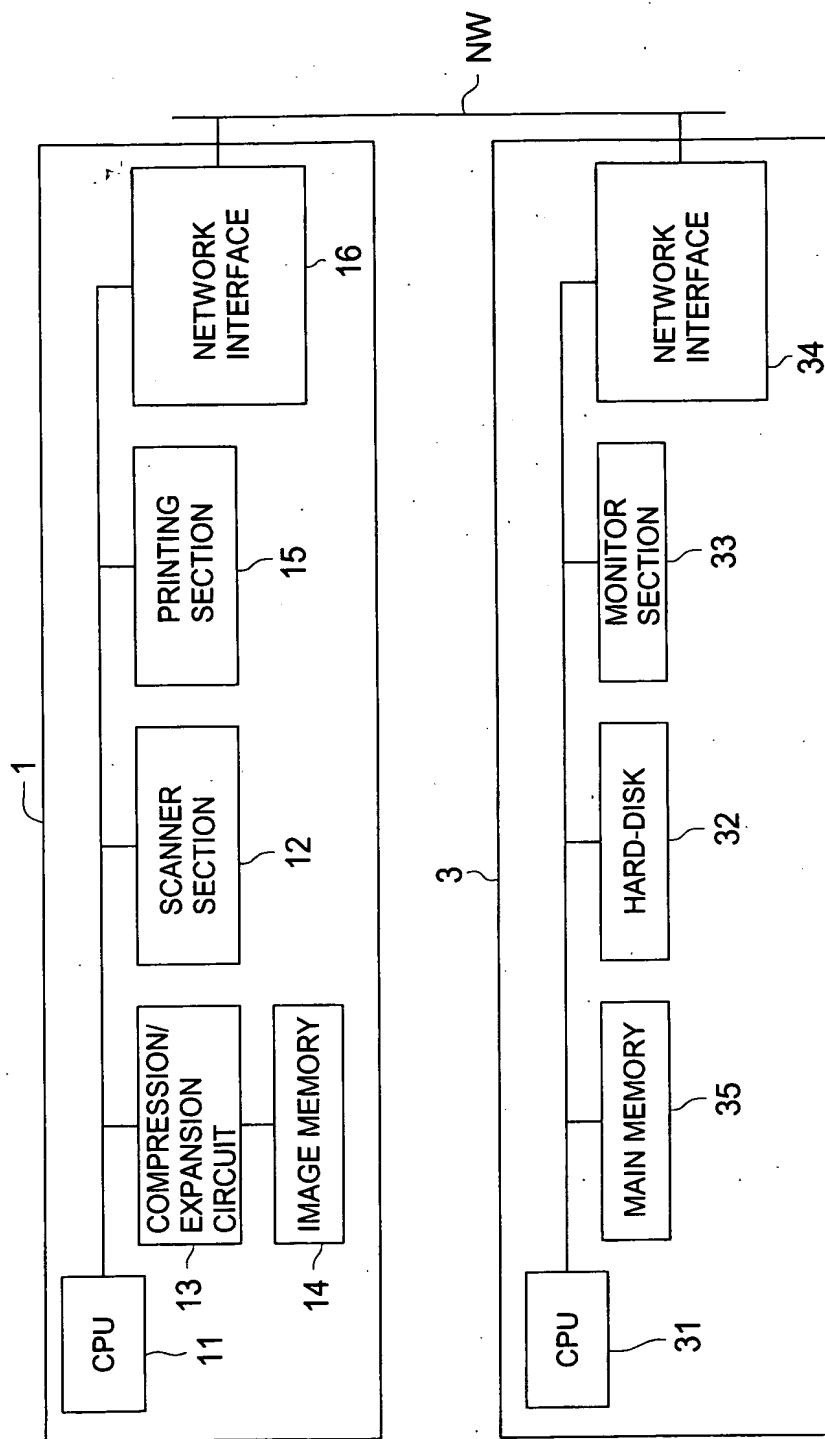

FIG. 2

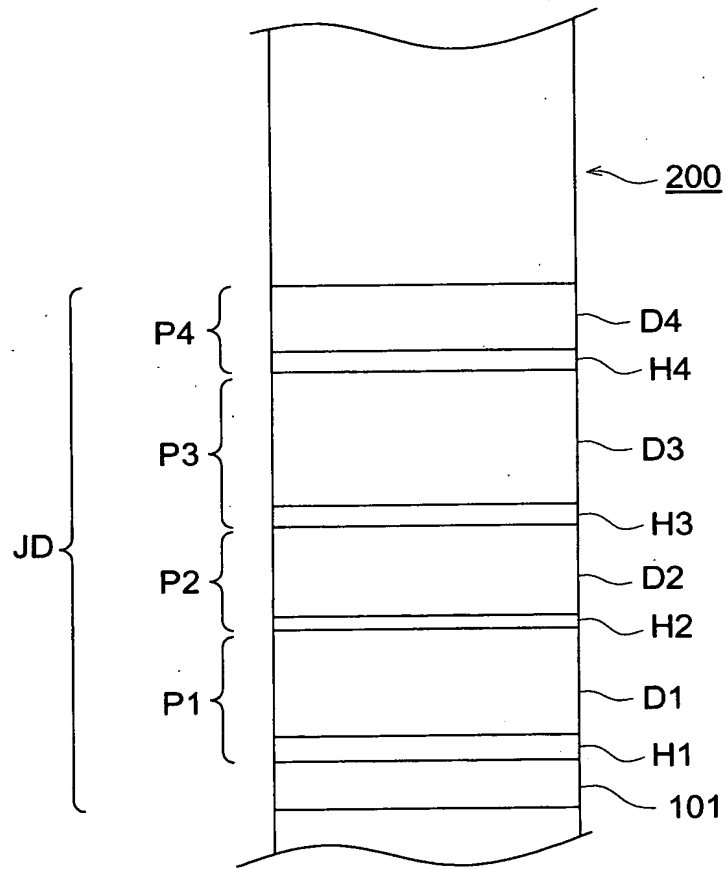

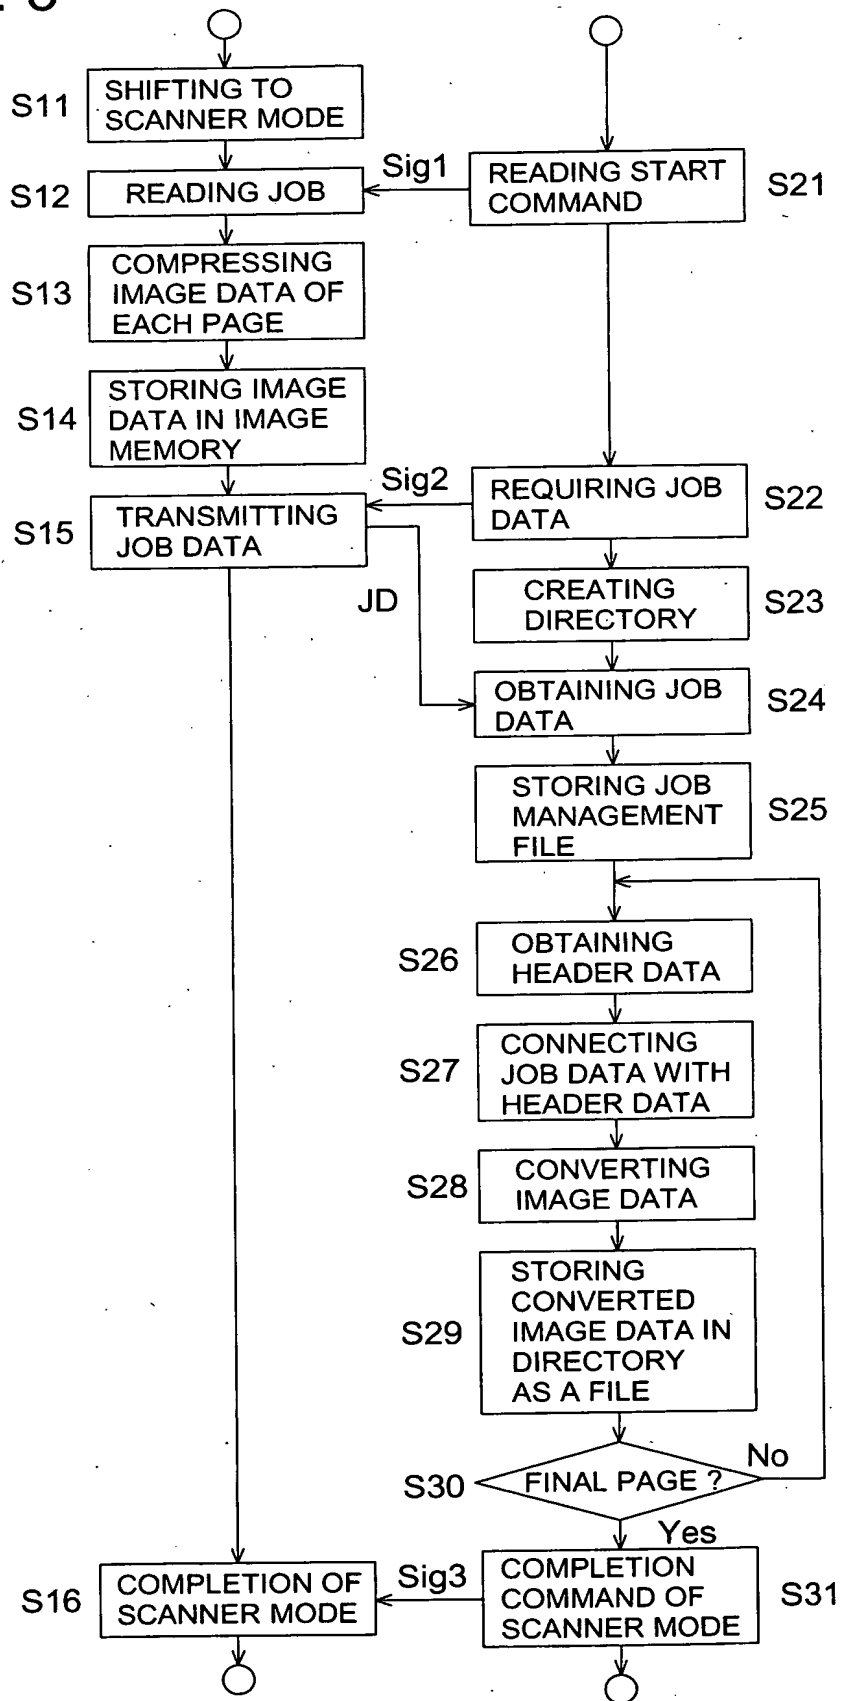

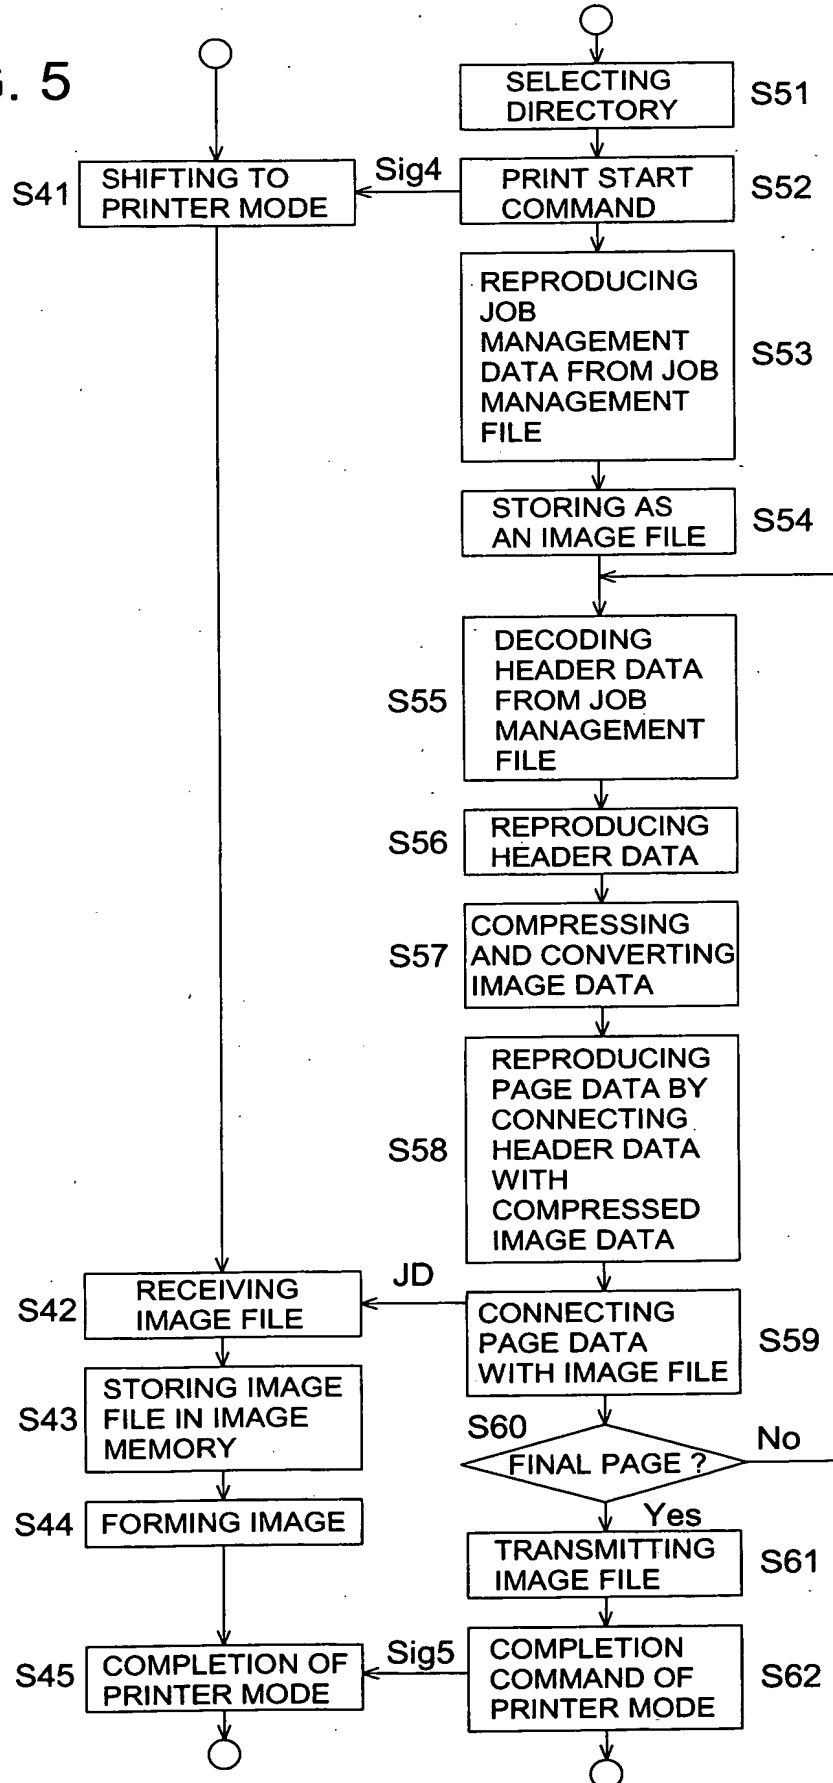

FIG. 3

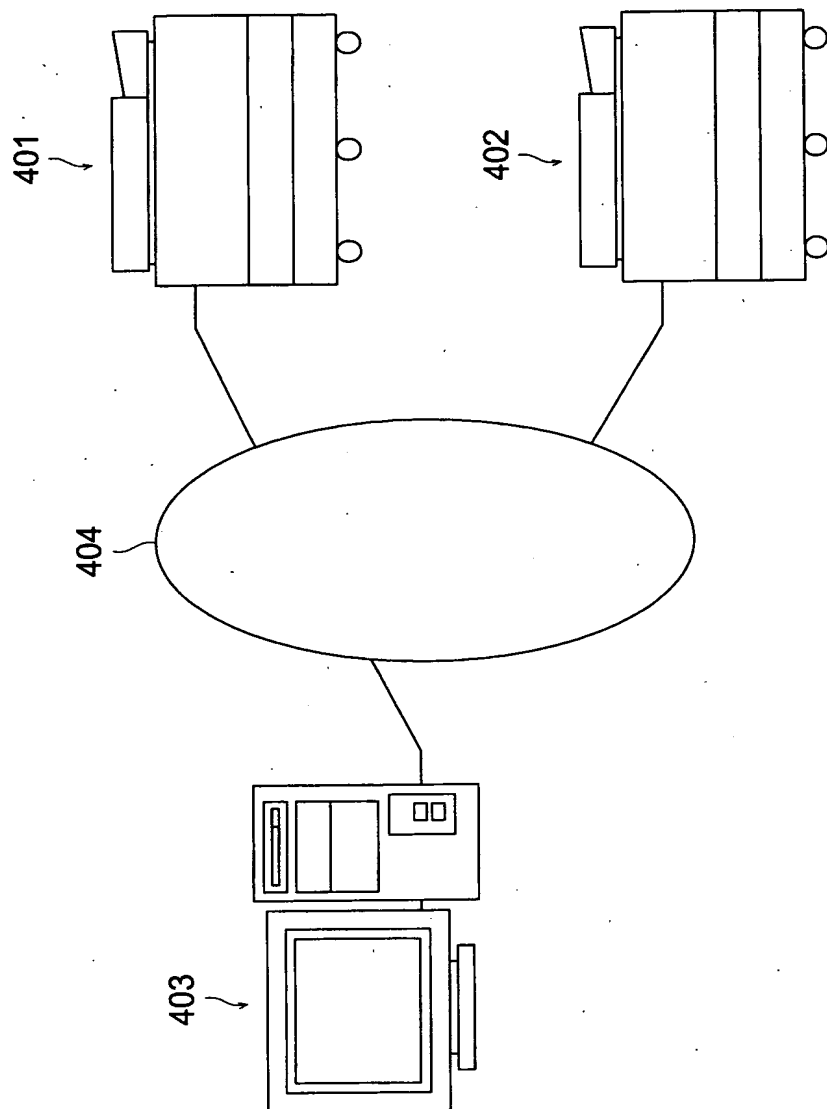

The diagram illustrates a data structure 300. On the left, a vertical stack of cylinders is labeled 310. This stack is divided into segments labeled Rj, R1, R2, R3, R4, and Rn from top to bottom. To the right of this stack is another vertical arrangement of cylinders. The first four cylinders are labeled 0001.bmp (F1), 0002.bmp (F2), 0003.bmp (F3), and 0004.bmp (F4). Below these are three vertical dots, followed by a final cylinder labeled .bmp. A box labeled JOB1 is positioned at the top left of the diagram.
